Governor required at John Clifford School

We are trying to strengthen community links at John Clifford School and have one governor vacancy for a community governor. We think our school is an exciting place to make a contribution as we have such a rich diversity of pupils, continue to grow (276 - 345) have a young and dynamic staff and are trying to raise our profile in the local area.

The principle role of a governor is to support the leadership of the school, offer challenge and direction, and to be accountable to parents of the school community. There are many other opportunities such as attending events, activities and meeting groups connected to school.

See: www.johncliffordschool.com for more information about the school. The governor role is on the governor page.

There are three formal meetings a year and then additional subcommittee or link governor work, but there are many ways in which you can get further involved in the strategic work of the school.

If you have interest or would like to know more please let me know.

I am willing to meet anybody who has any interest in our school.
