Moving Toton travellers on

A GROUP of travellers that had taken up unauthorised occupation near the Greenwood Centre in Toton were eventually evicted, after delays, on Monday, October 19. Since then, they have taken up residence at a number of other locations around Toton.

MP Nick Palmer has sent a letter to residents of Toton asking for suggestions to prevent the continual recurrence. They are being invited to a meeting at the end of October to discuss what means would be most effective to prevent recurrences, and so that the MP can update them

responses to his proposals on the issue, which he is planning to pursue in the current parliamentary session.

He added that it would be helpful if people could think about other public sites in the area that also needed to be secured.
